

The City of El Dorado Springs is accepting applications to sign up for budget billing for residential utility customers. This program allows customers to pay an averaged amount each month instead of amounts that fluctuate throughout the year. Residential customers must meet eligibility requirements to participate. Sign up deadline for this program is March 10, 2018. Sign up will not be open again until February 1, 2019. Contact City Hall at 876-2521 for more information.
